Loopbin

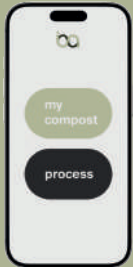

No garden? No problem!

Meet the LeftLovers' Loopbin and turn your foodwaste into plant food!

HOW DOES IT WORK?

1. Put your organic waste into the bin

2. The app will give you a notification when you need to add anything or stir the waste

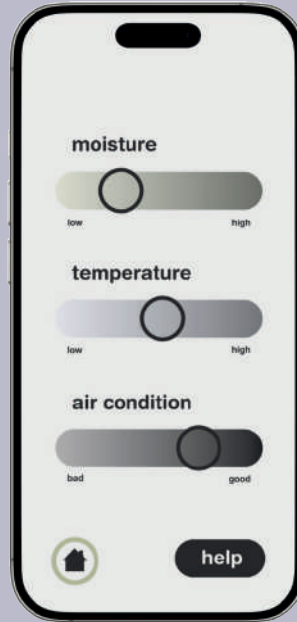

3. Take out your compost

4. Use the compost in the plant box on top and grow your own plants!

ABOUT THE APP

Status of the compost at all time

Reminders for optimal composting

Gardening tips tailored to your plant choices

WHY LEFTLOVERS?

- ✓ Composting without the mess
- ✓ Odor free
- ✓ Perfect for small spaces
- ✓ No garden needed
